Matters to be resolved at the Nanoform Annual General Meeting 2021

Agenda items 7 to 9 and 11 to 18 cover proposals of the Board of Directors of Nanoform to the Annual General Meeting in accordance with the notice of the Annual General Meeting, as well as the resolution on the discharge of the members of the Board of Directors from liability in agenda item 9.

“Abstain from voting” means giving an empty vote and shares are considered to be represented in the Annual General Meeting, which has significance in resolutions requiring qualified majority (e.g. agenda items 17 and 18). In qualified majority items all shares represented at the Annual General Meeting are taken into account and abstentions thus have the same effect as votes “Against/No”. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
